

Dr. John Christopher Moore

141 Asheland Ave., Suite 300, Asheville, NC 28801

828-350-1880 JCMooreDPM@aol.com

Fellowship	2001-2002	Revisional & Reconstructive Surgery of the Foot and Ankle	PGY-4
		Yale-VA Connecticut Healthcare System New Britain General Hospital	
		New Britain, CT	
Residency	1999-2001	Foot and Ankle Surgery Residency	PSR-24
		Yale-VA Connecticut Healthcare System	
		West Haven, CT	
	1998-1999	Hospital Internship	PPMR
		Yale-VA Connecticut Healthcare System	
		West Haven, CT	
Graduate Education	1994-1998	Des Moines University	
		College of Podiatric Medicine and Surgery	
		Des Moines, IA	
		Doctor of Podiatric Medicine	
Undergraduate Education	1994-1996	Des Moines University	
		College of Podiatric Medicine and Surgery	
		Des Moines, IA	
		Bachelor of Science, Medical Sciences	
	1992-1994	California College for Health Sciences	
		National City, CA	
		Associate of Science, Respiratory Care	
	1990-1994	Southern Adventist University	
		Collegedale, TN	
		Bachelor of Science, Biology	
Employment			
	2002-2004	Cornerstone Health Care, High Point, NC	
	2004-Current	Moore Foot & Ankle Specialists, Asheville, NC	

Hospital Affiliations and Surgical Privileges

2002-2004	Randolph Hospital Asheboro, NC
2002-2004	Thomasville Medical Center Thomasville, NC
2003-2004	High Point Regional Medical Center High Point, NC
2003-2004	High Point Surgery Center High Point, NC
2004-Current	Park Ridge Hospital Fletcher, NC
2005-2006	Indian Health Service Fort Defiance, AZ
2005- Current	Mission Hospitals Asheville, NC
2005- Current	Park Ridge WoundCare Fletcher, NC

Licensure

2000-Current	State of Tennessee Board of Registration in Podiatry License # 568
2002-Current	North Carolina Board of Podiatry Examiners License # 467

Board Qualifications

- Passed National Board of Podiatric Medical Examiners Parts I and II
- Passed Podiatric Medical Licensing Examination for States (PMLexis)

Board Certification

- Foot Surgery and Reconstructive Rearfoot/Ankle Surgery
 - American Board of Podiatric Surgery Board Certification

Certifications

Laser Surgical Techniques
Advanced Cardiac Life Support
Basic Life Support
OssaTron Shockwave Therapy
Dornier EPOS Shockwave Therapy

Professional Memberships

American College of Foot & Ankle Orthopedics and Medicine
American College of Foot and Ankle Surgeons
American Diabetes Association
American Podiatric Medical Association
American Professional Wound Care Association
North Carolina Foot & Ankle Society

Advisory Committee Membership

Randolph Hospital Diabetes Self-Management Advisory Committee
Asheboro, NC 2002-2004
Pfizer Pharmaceuticals Group, National Speakers Bureau
235 East 42nd Street, New York, NY 10017-5755
American College of Foot & Ankle Surgeons 2004 Annual Meeting &
Scientific Seminar, San Diego, CA
Poster Exhibit Judge
American College of Foot and Ankle Surgeons 2004-2006
Diabetic Foot Clinical Practice Guidelines Committee Member
Mission Hospitals, Health Information Management Committee Member
Asheville, NC 2005-2008
Mountain Area Health Education Center, Speakers Bureau
Asheville, NC 2005-2006
American College of Foot & Ankle Surgeons 2006 Annual Meeting &
Scientific Seminar, Las Vegas, NV
Poster Exhibit Judge

References furnished upon request

Residency Experience

- Three years of foot and ankle surgery with extensive in-house patient management
- Standard elective cases to advanced reconstructive surgery including diabetic limb salvage
- Comprehensive training at the following hospitals:

Yale-New Haven Hospital

- Active participation with in-patient medical and surgical management of complex diabetic lower extremity wounds
- Outpatient podiatric and vascular surgical service high risk diabetic foot clinic
- Surgical rotations including podiatric, vascular, orthopedic and plastic surgery
- with experience gained in all facets of foot and ankle surgery
- Plastic surgical techniques for wound reconstructions and advanced orthopedic techniques for osseous reconstructions were emphasized.
- Chief Resident of the podiatric surgical service as PGY3

Hospital of Saint Raphael, New Haven, CT

- Emergency medicine rotation in Trauma Center for one month
- Outpatient podiatric clinics
- Surgical rotations including podiatric, vascular, orthopedic and plastic surgery
- Active participation with in-patient medical and surgical management of complex diabetic lower extremity wounds
- Chief Resident of the podiatric surgical service as PGY3

New Britain General Hospital

- Active participation on Internal Medicine rotation for one month
- Outpatient clinical experiences at The Center for Reconstructive Foot Surgery and Joslin Diabetes Center
- Podiatric and orthopedic surgery with extensive training in plastic and reconstructive surgery including local/island flaps, skin grafts, and complex external fixation
- Active participation with in-patient medical and surgical management of complex diabetic lower extremity wounds
- Chief Resident of the podiatric surgical service as PGY3

Veterans Administration Hospital

- General surgery, primary care, endocrinology, rheumatology, anesthesia, and neurology rotations
- Podiatric surgery with extensive outpatient clinical experiences
- Active participation with in-patient medical and surgical management of complex diabetic lower extremity wounds
- Chief Resident of the podiatric surgical service as PGY3.
-

Affiliated Hospitals and Surgery Centers:

Bradley Memorial Hospital, Southington, CT

Bridgeport Surgical Center, Bridgeport, CT
Connecticut Foot Surgical Center, Milford, CT
Danbury Surgical Center, Danbury, CT
Milford Hospital, Milford, CT
Naval Hospital, Groton, CT
Newington VA Medical Center, Newington, CT
Temple Surgical Center, New Haven, CT
US Coast Guard Academy, New London, CT
Womack Army Medical Center, Fort Bragg, NC

Completed a comprehensive three-year foot and ankle residency with a strong medical background.

First year was an internship concentrating on inpatient management, medical rotations, podiatric primary care, diabetic foot care, sports medicine, and basic surgical skills. Over 1000 clinical patients were logged. PPMR (Primary Podiatric Medicine Residency) certificate received 1999.

Second and third years were surgically based with extensive variety of foot and ankle pathology including long term follow-up. Over 1200 procedures logged, including soft tissue and osseous reconstruction cases. Multidisciplinary approach to diabetic foot management and reconstruction was emphasized. PSR-24 (Podiatric Surgical Residency-24 months) certificate received 2001.

As Chief Resident educational and teaching responsibilities included junior residents and medical students, as our program is a Clinical Campus for the following institutions:

California College of Podiatric Medicine
Des Moines University College of Podiatric Medicine and Surgery
University of Connecticut School of Medicine
Yale University School of Medicine.
Fourth year medical students from all seven colleges of podiatric medicine have elective externships at this program.

Fellowship Experience

I completed a multidisciplinary fellowship in foot & ankle reconstructive surgery with an emphasis on limb salvage procedures. I received unique training in diabetic wound closure via various random/nonrandom skin flaps including rotational, transpositional, pedicled and muscle flaps as well as harvesting and placement of split thickness skin grafts. Extensive experience was gained with application of complex external fixation devices for major lower extremity reconstructive surgeries.

Clinical Rotations

The Center for Reconstructive Foot Surgery
Plainville CT

Joslin Diabetes Center at New Britain General Hospital
New Britain, CT

Hospital of St. Raphael, Orthopedic & Podiatric Surgery
